2. Chair's report

Pleased to see return of regularly scheduled competitions and restrictions lifting to allow spectators.

Membership numbers returning to pre-pandemic levels.

Welsh Championships to be held at the end of April, already reached capacity with almost 90 lifters over 2 days. This will be the first time we have hosted a 2-day competition so need for officials and platform crew will be greater than usual.

Thanks to the committee for all their hard work over the last year to adapt under difficult circumstances.

Confirmation that TB is stepping down as Chair/Director of WPA. British Powerlifting Board will be notified and this will be ratified at the BP AGM later in the year. Tanya thanked the committee for all their support over the years and noted achievements of WPA members.

3. Treasurer's report

Spend has been reduced due to hosting less competitions in 2021 than we normally would. Holding some funds aside for Home Nations in December 2022.

Suggested some spend on additional items for competitions – TV screens for platform, new projector and a fold away table. Some maintenance required for Eleiko rack – replacement acrylic rollers and bench needs to be re-covered.

4. Competition calendar as listed on WPA website

Wales to host Home Nations Championship, 10th December 2022, Barry Memorial Hall.
