## **TREASURER'S REPORT**

I present my report for the year-ended 31 December 2021. As at the 31 December 2021 the federation had net Members funds of £8,978. This provides the WPA with a good balance to invest in competitions, improvements, and hosting of larger championships in the future.

### **INCOME**

During the year our income streams were limited due to the Covid-19 pandemic outbreak, with only two competitions being held.

We received £1000 in sponsorship from SBD, £1,164 in membership fees and £881 in competition entry fees.

### **EXPENDITURE**

Due to the restrictions put in place relating to the Covid-19 pandemic our expenditure for the year was low at £1,417. The main expenses we incur are around hosting competitions in the form of venue hire, trophies and platform supplies.

We expect income and expenditure to increase in 2022 as restrictions lift and the federation plays host to the Home Nations championships.
